The Allean Story

Allean lived in Richmond for 54 years before moving to Stockton, Ca. Allean attended Nystrom Elementary school, Roosevelt Jr. High and was a graduate of Harry Ells High School in 1963. She later attended Patton Bible College.

Allean worked at Chevron of Ca., Oakland Army Base and the U.S Mint in San Francisco, Ca. Allean accepted Christ and join Pilgrim Rest Baptist Church under the late Rev. C.E Richardson, she later converted to and joined the Pentecostal Church where she served until her death.

Allean was a very faithful and dedicated servant of God. She had the faith of Job. She will be greatly missed by all who came in contact with her. Allean touched so many lives with the life that she lead. Allean really practiced what she preached. Even until death, her testimony was "Don't try to save me, I want God's Will to be done, because God will get the glory from this".

Sister To Sister

We laugh
We Cry
We make times fly
Best friends are we
My sister and me

Your sister
Von

I fought your battles when we were small
I fought your battles when you called.

The last battle you fought of all
I was there when you called

But, after all when Jesus called, he was there to cushion your fall.

Your sister
Lois
